

Equal Rights for All

End Sexual Discrimination !
End oppressive sex roles in society!

We demand full equality for men and women, and for people of all sexual orientations, and in all areas of life. Discrimination teaches domination and inequality between people, and keeps some workers underpaid or unpaid.

Equal Rights for All

End Sexual Discrimination !
End oppressive sex roles in society!

We demand full equality for men and women, and for people of all sexual orientations, in all aspects of life. Discrimination is a major tool for teaching domination and inequality in our relationships, and for keeping some workers underpaid or unpaid.
